Junior and Senior Uniform Guidelines

Introduction

Girls at Croydon High School wear uniform in order to foster a sense of community, and to enable them to present a neat and business-like appearance both within and outside the school. Our policy on school uniform and the way in which it will be enforced is based on our belief that our uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- encourages high expectations and standards of behaviour and conduct;
- is practical and smart;
- makes girls feel equal to their peers in terms of appearance.

General

Uniform should be worn in a clean and tidy condition, in a good state of repair and free from holes, both at school and between school and home. All clothing and other articles brought to school should be clearly named. The school uniform supplier is Schoolblazer whose online shop can be found at www.schoolblazer.com

Reasonable adjustments to the uniform may be made on an individual basis (religious or medical reasons, for example). In such cases, permission may be granted by the Deputy Head (Welfare, Systems and Innovation) or the Head of the Junior School.

Jewellery

Jewellery is not permitted to be worn in school. Girls may wear a watch, although 'smart watches' including fit bits are not appropriate for Junior girls.

Girls with pierced ears may wear one plain gold or silver stud earring in each lobe, but must be able to remove these for PE lessons as taping is not permitted.

For this reason, we advise that new ear piercings should happen over a holiday period so that girls are able to remove their earrings by the time they return to school. No other studs are acceptable in piercings elsewhere on the body.

Girls may wear religious jewellery if granted permission from the Deputy Head (Welfare, Systems and Innovation) in the Senior School or the Head of Juniors in the Junior School.

There may be some activities for which jewellery is considered a risk to health and safety.

Hair and make-up

Hair longer than shoulder length should be tied back for reasons of health and safety. Any hair fastenings should be plain navy or white and of a moderate size. Exaggerated styles, hair extensions and obviously dyed hair are not allowed. Headscarves worn for religious reasons should be plain navy blue or white.

In the Senior School discreet make up may be worn. However, nail polish and nail extensions are not permitted.

Footwear

Girls should wear flat black shoes, in plain or patent leather rather than suede or nubuck. Shoes should be sturdy in design to offer appropriate support. High heels, ballet style pumps without ankle straps and boots are not permitted.

Socks and Tights

In the Junior School girls should wear plain navy tights or socks with winter uniform and plain white socks with summer uniform. Girls may not wear tights with their summer dress.

In the Senior School, girls may wear white or navy socks, or navy tights. In both Junior and Senior School, socks may be ankle or knee length, but must be visible above the line of the shoe. Trainer socks are not permitted.

Outerwear and bags

Girls in the Junior School must wear the school coat as supplied by Schoolblazer, and are expected to have this in school every day in case of inclement weather.

Girls in Years 7 to 11 must wear their blazer at all times. A jumper may be worn in addition to but not instead of the blazer. In the case of cold weather girls may wear an appropriate thicker coat to and from school, as well as their blazer. Junior girls should use either the uniform bookbag in Nursery to Year 2, or the uniform back pack in Years 3 to 6.

Senior girls in Years 7 to 11 may also choose to use the uniform back pack if they wish. Any non-uniform bag used by a Senior girl should be robust and functional (i.e. sufficient to carry A4 files and large books).

Junior Summer uniform

Junior girls may choose to wear their summer dress from the start of the Summer term and must be wearing it after May half term. They may continue to wear summer uniform at the start of the Autumn term if appropriate, but must be in winter uniform after October half term.

Year 6 may choose not to wear the summer dress and to continue to wear their winter uniform with a short sleeved blouse and white socks instead.

Skirts

Girls in Years 3 to 11 should wear their skirt to knee length and are not permitted to roll them up in order that they are shortened.

Enforcement of uniform

Girls should expect to be challenged by staff if they are not dressed in accordance with the guidelines. Sanctions may be issued to any girl who repeatedly ignores the guidelines and the requests of staff.

Queries about uniform

Any queries about uniform or the enforcement of these guidelines in the Senior School should be directed to the Deputy Head (Welfare, Systems and Innovation) and in the Junior School to the Deputy Head of the Junior School.

Sixth Form Uniform Guidelines

Introduction

Although not in uniform, girls in the Sixth Form at Croydon High School are expected to adhere to a dress code during school hours and when attending school events at any other time. This is set to ensure that they:

- are dressed appropriately for a place of work;
- set an aspirational example to younger girls;
- represent the high standards and expectations of Croydon High School, and impress these upon visitors and others who encounter them

Suits

Girls should wear a suit to school every day which consists of a tailored jacket and dress, skirt or trousers. This should be in a dark colour, although a discreet pinstripe or check is permitted. Skirts are to cover at least $\frac{3}{4}$ of the thigh and may have a small (max 9cm) slit at the back. Trousers should be tailored and should not be a jeans style with pockets. Clothing in body-con or clinging fabric is not permitted.

Under their suit jacket girls should wear either a collared shirt or blouse, or a fine knit jumper or similar. Tops should be long enough to be tucked into a skirt or trousers. Clothing with thin straps or which show a girl's underwear, midriff or cleavage is not permitted.

Sportswear may only be worn when girls are participating in a PE lesson or other sporting activity, and is not to be worn around the Sixth Form Centre.

Footwear

Girls' footwear should be dark in colour. Shoes or boots should have a closed toe and a closed heel, up to a maximum of 7.5cm in height. Stiletto heels, flip-flops and Ugg-style boots are not allowed.

Outerwear and bags

Outdoor coats should be plain, without large logos and must be longer than the suit jacket. Leather, denim and fur are not suitable fabrics. Smart hats may be worn with outerwear only.

Bags for carrying school books and equipment should be robust and functional (i.e. sufficient to carry A4 files and large books).

Hair and make-up

Hair should be neat, clean and moderate in style. Whilst hair dye in keeping with a natural colour is permitted, extreme colour or multi-coloured hair is not. Exaggerated styles are not allowed. Headscarves worn for religious reasons should be plain in colour.

Make-up should be discreet and in keeping with a professional working environment.

Jewellery

Girls may wear discreet necklaces, bracelets, rings and earrings. No studs are acceptable in piercings elsewhere on the body.

Enforcement of uniform

It is the responsibility of the Form Tutor to check uniform at morning and afternoon registration. If, after one warning, there are repeated infringements of the uniform code in the course of a half term, then the Form Tutor will issue a 'click' on SIMS. Three clicks over the course of a half term will result in a detention to be overseen by the Form Tutor. Girls should expect to be challenged by all staff if they are not dressed in accordance with the uniform code. Teachers should email concerns regarding uniform to a Form Tutor, who will coordinate the sanctions process.

Queries about uniform

Any queries about Sixth Form dress or the enforcement of these guidelines should be directed to the Head of Sixth Form.

Sixth Form PE kit

Girls in the Sixth Form may choose to wear the uniform kit for their PE lessons, or they may opt to wear their own sportswear instead, providing that it is appropriate for the activity in question. Any girl in the Sixth Form who is representing the school in a sports fixture is expected to wear the uniform PE kit in order that she be clearly identified as part of the team.
