

Croydon High Arts Week

29 June – 3 July 2020

Croydon High Arts Week is about 'celebrating diversity, inclusion, culture and creativity'.

The theme for the whole week is 'Great minds think differently' and each day there is a different focus:

Monday - Great minds think compassionately

Tuesday - Great minds think creatively

Wednesday - Great minds think collectively

Thursday - Great minds think to the future

Friday - Great minds think critically

There will be the opportunity for students to experience a mixed curriculum this week and to have their voice heard through speech, language, art, drama, music, geography, history, science, maths, economics. Through a variety of topics such as BAME, LBGTQ+, refugees, environment, imagination, sport and politics.
