Introducing The Head Girl Team

Sarena

Hi there, I'm **Sarena** and I am very proud and excited to be awarded one of the Head Girl positions. I have been at Croydon High since nursery (so you could say Croydon High has seen me through some questionable hair styles!) which has enabled me to have a good appreciation of the culture of the school.

During my time at the school I was lucky to have the opportunity to go to Nepal. It was an amazing experience and one I will never forget. To help raise money for the trip I used my love of knitting to make some bears which I sold at the Winter Fair. I have continued with this passion and now run a knitting club, which has allowed me to get to know a number of people from different year groups.

Last year I was fortunate to have won the Public Speaking competition and also run a Public Speaking club, which has given me the opportunity to get to know people specifically from Year 10 and Upper Sixth.

I also play the cello and I hope when normality returns I will have the opportunity to get to know my fellow musicians.

I sincerely thank you for your support and look forward to the day where we can all meet back in the school environment. Until then stay safe!

Introducing The Head Girl Team

Alisha

Hello! My name is **Alisha** and I moved to Croydon High at the beginning of this academic year.

As an aspiring medic and passionate linguist, my A Levels are Biology, Chemistry, Maths and Arabic.

Growing up in Dubai, I liked to maximise my time outside in the sunshine, and developed a passion for sports, football in particular. I learnt to swim at the age of two and started gymnastics when I turned four, and continued it until I started my GCSEs. Along the way I also spent a lot of my time playing the piano, flute and enjoying acting in the spotlight on stage.

As an enthusiastic public speaker, I have introduced an annual TEDx Talks event to the flourishing co-curricular programme and I also run a Sign Language club which is open for Years 7-U6.

Despite being a recent addition to the Croydon High community, I have rapidly developed an admiration for both the pupils and staff who make it and am extremely grateful for their support in my appointment as Head Girl. I will embrace this responsibility and provide a valued interface between the students and the teachers.

Introducing The Head Girl Team

Abi

Hi! I'm **Abi** and I'm super excited to be one of your new Deputy Head Girls. I joined Croydon High in Year 7 and I have absolutely loved it here - the Croydon High community is truly like no other and I am so proud to be a part of it.

I've had several amazing experiences during my time at Croydon High, such as our trip to Berlin and Poland in 2018 and performing Macbeth at the Brit School. They both allowed me to learn a lot and have a lot of fun as well.

I'm studying Physics, Chemistry and Maths and I'm loving my courses at the moment. There is so much to get involved with at Croydon High, and I've specifically loved being a member of Amnesty International, Foreign Film Club, Young Enterprise and the Drama Scholars Club - I've found this wide range to be really rewarding and exciting as they're all so different.

Thank you for your support and kindness so far - I'm looking forward to seeing everyone in person as soon as it is safe to do so - I hope you're all staying safe and looking after yourselves!
