

Drama Scholarship Programme

- Scholars will receive our Drama Scholars pin badge to proudly wear on the lapel of their school blazer.
- Scholars are part of 'The Ivy Players', Croydon High's own Theatre Company. They meet for rehearsals and discussions/events each week and will also take part in several performances throughout the year.
- Scholars will be selected for extra performance opportunities, such as at the Carol Concert at Croydon Cathedral.
- Scholars will play an integral role in school productions, either on the stage or as part of the technical/backstage team. They will also support the performances of other age groups within the school.
- Each scholar will set a good example to other pupils by attending several Drama Clubs and activities.
- There will be opportunities to attend live theatre performances throughout the year.

We continue to be excited by this scholarship scheme and we will strive to give our Drama Scholars the very high profile that they deserve.

Sarah Grimshaw
Head of Drama
